

All collected personal data will be appropriately handled based on the RIKEN Personal Information Protection Regulations.

### 1. Purpose and Use of Collected Data

The personal data in this form will only be used for correspondence related to UCANS\_web. Registration for attendance at UCANS\_web, will not be completed unless you provide your information.

### 2. Transfer of Personal Data

The collected personal data will be transferred and stored on a server in Japan, where the personal data of registered individuals will be managed in an appropriate manner. In addition, RIKEN will not transfer the collected personal data outside of EEA member nations. Japan has obtained the adequacy decision by the European Commission as of January 23, 2019; however, the adequacy decision does not apply to administrative organizations and independent administrative institutions, including RIKEN.

### 3. Data Controller

RIKEN Center for Advanced Photonics (RAP) Neutron Beam Technology Team  
2-1 Hirosawa, Wako, Saitama 351-0198, Japan  
UCANS\_web@ml.riken.jp

### 4. Retention of Personal Data

RIKEN will not retain personal data for purposes beyond those described above.

### 5. Filing a Complaint with the Supervisory Authority

You may file a complaint with the supervisory authority of EEA member states in case there are complaints to be resolved regarding RIKEN's handling of your personal data. However, it would be highly appreciated if we could be notified in advance to seek a solution prior to your communication to the supervisory authority.

If you agree to all statements above regarding the use and transferring of the personal data, please place a check mark in the box below. You have the right to request withdrawal from this agreement at any time by sending an email to [UCANS\_web@ml.riken.jp]. Withdrawal from the agreement will not affect the legality of the data processing and transferring prior to the withdrawal.

- I agree to all statements above regarding the use and transferring of the personal data.
